

Rx Formulary

The following medications are typically available at your clinic and can be dispensed at your PMR provider's discretion for \$0 out of pocket! Some medications may not be immediately available based on current supply. Medications that are NOT on this list can be prescribed to an outside pharmacy and go through your normal insurance program(s). Please note that most medications require participation in the PMR 1-2-3-6 program.

BRAND COMP	DESCRIPTION	RX QTY
